

The ABK bench scale delivers reliable performance and easy weighing for items up to 260lb/120kg. Its sleek, stainless steel indicator offers superior sealing to protect from dust and ensure longevity. Date and time are supplied by the indicator and can be included in printouts. The oversized, backlit display is simple to read. Large buttons on the keypad are easy to see and use in any environment. The ABK is an excellent choice for parts counting, percentage weighing and dynamic weighing, while built-in limit lights make it ideal for checkweighing.

Right combination of features and performance make the ABK a winner for industrial applications
