

## NS Series Steel 19" Equipment Rack Enclosures

### Overview:

The Altelix NS Series Weatherproof Equipment Rack Enclosures are ideal for protecting rack mountable equipment from harsh environments and tampering. They feature a standard 19" wide 4U or 6U equipment racks and are designed to accommodate a wide range of equipment such as network switches, rack mount audio/video equipment and most other rack mountable equipment.

### Features:

- Continuous seam welded 18 Gauge (1.2mm) steel construction
- Epoxy polyester textured light gray powder coat finish
- Fully gasketed door with reinforced hinges and quarter-turn latches to secure the enclosure
