

LED INTEGRATED LAMP-HOLDER, STEADY LIGHT Ø22MM PLATINUM SERIES, SPRING-CLAMP TERMINATION, 185...265VAC. WHITE

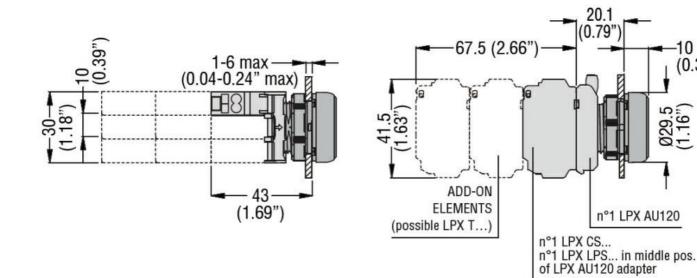

| Product designation | | | LED elements steady light with spring-clamp terminals |
|--|------------|----------|--|
| Product type designation | | | LPXLP |
| General characteristics | | | |
| Colour | | | White |
| Electrical characteristics | | | |
| Rated frequency | | Hz | 50-60 |
| Supply voltage (AC) | | V | 185265 |
| Operations | | | |
| Electrical life | | hours | 100000 |
| Mechanical features | | | |
| Conductor section | | | |
| AWG/kcmil conductor section | | | |
| | max | | 14 |
| IEC | | | |
| ·• | max | mm² | 1 or 2 / 2.5 |
| Mounting adapter | | | LPXAU120 |
| Weight | | g | 15 |
| | | | |
| | | 3 | |
| Ambient conditions | | 3 | |
| Ambient conditions Temperature | | 3 | |
| Ambient conditions | min | | -25 |
| Ambient conditions Temperature | min max | °C | -25 +70 |
| Ambient conditions Temperature Operating temperature | min max | | -25 +70 |
| Ambient conditions Temperature | max | °C °C | +70 |
| Ambient conditions Temperature Operating temperature | | °C | |
