Application

Designed for use on most SCE Type 4, 4X and 12 enclosures. Consists of frame, window, oil-resistant gasket, and mounting hardware. Installed by making a cutout in the enclosure and fastening the window and frame in place. For technical information, consult our installation manual at www.saginawcontrol.com. The window is made of laminated safety glass for easier clean up and an aluminum extruded frame. Recommend use as type 3R rating in full outdoor exposure and extreme weather environments
